# SIMPLY THEATRE
# WEST END TRIP

**8–10 January 2027 | London**

*Three unforgettable days. Two world-class shows. One incredible experience.*

There is nothing quite like seeing musical theatre where it all happens.

Join us in the heart of London's West End for three days packed with spectacular performances, behind-the-scenes discoveries and memories that will last a lifetime.

This year's trip includes tickets to two incredible West End productions — **Hadestown** and **Harry Potter and the Cursed Child** — alongside a special theatre workshop led by a member of a West End company, offering students a unique insight into life as a professional performer.

We'll also explore some of London's most famous sights, discover the magic behind the curtain on a backstage theatre tour and enjoy plenty of time with friends who share the same passion for theatre.

Whether you dream of performing in the West End one day or simply love live theatre, this is a trip guaranteed to inspire.
